

# MESHTASTIC

- Meshtastic is a small, low-cost communication device
- Send private or public messages anytime
- No cell service, Wi-Fi, or Internet required
- Unlike phones, walkie-talkies, ham radios, or CB radios
- Meshtastic stays on 24/7 - ready when needed!
- No upkeep, no check-ins, no hassle
- Successfully tested communication across
  - Thousand Oaks
  - Newbury Park
  - Santa Rosa Valley
  - Moorpark
